

STRATEGY SUMMIT 6.0

DEVELOP YOUR TEAM'S VISION

One of a leader's most important responsibilities is to define direction for his or her team. It is an essential duty, as vision unites the team around a common purpose, lends meaning to each day for every associate within an organization, and converts jobs into campaigns and causes. Dave's annual Strategy Summit workshop provides the necessary framework to combat common roadblocks to vision attainment: cloudy goals, decaying strategies, and anemic tactical execution. This two-day retreat enables teams to examine and evaluate their 2025 vision, and get personal coaching from Dave on crafting your 2026 vision. Topics include:

- Establishing Vision Objectives for the Organization Overall & All Departments
- Fostering Buy-In & Engagement on Vision
- How to Overcome Roadblocks to Goal Attainment
- Developing an "Execute Every Day Mindset"
- Maintaining Vision "Visibility" Through the Entire Campaign
- High-Impact Strategies & Parallel Execution Methods
- Daily Execution Principles and Implementation Techniques
- And More!

Workshop includes course workbook and breakout sessions for preparing action plans to put in place upon returning to your organization.
